bringing dedicated clinician scientists
together to collaborate, learn, and connect.

In Person Education in the U.S. and the
international advanced courses where you can
gain a clinical spin on major topics in cellular and
molecular immunology.

Virtual Education with our courses being offered on-
demand and can be taken on your own schedule - anytime
and anywhere.

**FOCIS 2026
Annual Meeting**
June 9-12
San Francisco,
California

FOCIS is **THE** meeting in translational immunology!
Through the **FOCIS Annual Meeting**, researchers and clinicians
share knowledge across traditional disease borders, and identify
commonalities between treatments and therapies that are life
changing for those affected with immune-mediated diseases.

5 days of programming **900+** attendees **30+** countries represented

A **FOCIS membership** is a membership to the leading international
organization of immunology specialists united by a commitment to excellence.
Our membership includes clinicians, researchers, industry experts, trainees
and graduate and medical students.
